

My name is Charlie Young, and I have owned property in Bigfork for the past five years. I recently retired after a 45-year career in the construction industry, where I worked as a construction estimator, project manager, and director of operations.

My career provided me with strong leadership, problem-solving, and hands-on experience that I believe would serve the Bigfork Fire Trustee Board well.

My wife and I have one grown son, and we are proud to be part of the Bigfork community. In my spare time, I enjoy woodworking, hunting, fishing, target shooting, and reloading ammunition.

I have always believed in giving back to my community, and it would be an honor to serve Bigfork as a member of the Fire Trustee Board.
